The FN 509® Tactical is the duty-proven pistol with upgrades tailored for the high round count shooter. This exclusive, optics-ready package includes three 24-rd magazines and two 17-rd magazines, with a flat-faced precision trigger.

With a factory-milled slide, it's ready to mount most micro red dots. FN's Low-Profile Optics-Mounting System™ is the industry's most adaptable optics mounting platform, allowing co-witness with tall tritium night sighs on the slide. A smooth, drop-safe trigger has a positive wall before a clean break. With the target-crowned, hammer forged barrel, a lifetime of tight groups is in reach.
